

Return Policy

As listed in item 2 of the Hymark's Standard Condition of Sale:

Products (including products covered or asserted to be covered by Hymark's merchandise warranty program) are not returnable without the consent of the Hymark. Hymark will assign a Returned Good Authorization number for approved returns, which must appear on the Buyer's shipping container. Unauthorized returns will not be accepted. Return shipments must be prepaid and shipped in accordance with Hymark's instructions. Credit may be issued at Hymark's discretion, less any restocking charges, inspection charges, rework charges, or other charges incurred by Seller to restore returned goods to like-new condition. Restocking fees are subject to Hymark's discretion on a case by case basis. Orders placed by Buyer and accepted by Hymark can be canceled only with Hymark's written consent and may be subject to a cancellation fee. Cancellation fees are subject to Hymark's discretion.
